**Director's Report**

Working on yearend reports and preparing for audit. Annual and quarterly state reports are due. Purchased fire blankets, survival suits, and batteries for the vessel. Looking into redoing the bathroom floors over the winter and a new chairlift. Available funding will determine other winter work. Capital was increased for FY22 from 177,000 to 732,000. These funds will not be available until the fall of 2023 and will be put towards the transmission and engine rebuilds. Participated in procurement and FY24 application training. The propulsion study document needs a few changes and will resubmit to MDOT when completed.
