Remember to include a copy of the conference brochure, or other documentation with your travel expense voucher, to show that you stayed at the conference site.

MEALS

To qualify for meal reimbursement, you must be working more than 25 miles from your home and official work station.

Individual meal allowance for office and Schedule I Field employees in travel status will be based on the following schedule: **NOTE: Edits exist in system to determine whether the departure and return times meet the Statewide Travel Regulation Guidelines for the meal type.**

Tips must be customary and reasonable and cannot exceed 20 percent of the meal cost. The meal total (tip and meal cost combined) cannot exceed the maximum published rate per meal.

MILEAGE

Standard Mileage Rate – The reimbursable amount per mile for use of private vehicle, in lieu of an available state vehicle.

Premium Mileage Rate – The reimbursable amount per mile for use of an approved private vehicle when no state vehicle is available. If eligible for the premium mileage rate, you must state “**No state vehicle available**” in the comment area of your voucher.

Regulation Miles (REG) – Map-measured miles by the most direct route using reasonable improved and maintained roads and opened to through-traffic.

Vicinity Miles (VIC) – Miles driven at the general location of the work site, necessary for conduct of official business including to and from motels.

When Mileage Commences/Ends at Home – Where assignments start and/or terminate at the employee’s home, reimbursement will be based from the home to the field assignment and return, but the mileage charge **cannot** exceed mileage had the assignment started and terminated at the employee’s official work station.

Mileage is taxable when driving to or from a “permanent work location” when beginning or ending at your home.

LODGING

To qualify for lodging reimbursement, you must be working more than 25 miles from your home and official work station.

Lodging at a Conference Hotel – If you will be staying at a hotel that is hosting the conference you are attending, whether in-state or out-of-state, it is not necessary to book through Conlin Travel. You must attach conference literature which lists the Conference Hotel when you submit your voucher.

Out-of-State Lodging at Non-Conference Hotel – Should be booked through Conlin Travel prior to trip.

In-State Lodging at Non-Conference Hotel – If lodging rate exceeds the state rate (currently \$85 plus taxes per night), to be fully reimbursed you must book through Conlin Travel.

SUBMITTING YOUR VOUCHER

Enter your reimbursable expenses:

1. Expenses should be submitted at the end of each pay period.
2. Once in SIGMA Employee Self-Service, click on the Travel and Expense tab at the top of the page.
3. Click on “Create New Expense Report” (left side, mid-page).
4. For items other than travel (i.e., safety boots, CDL license, etc.) select “No Travel” from the Travel Type drop-down and use a stand-alone voucher.
5. General Information Tab-Enter Trip Name, Purpose of Trip, Travel Start/End Date and Travel Type (In-State, Out-of-State, No Travel). If traveling to more than one location check the “Multi-Segment Trip” Box. If overnight travel then check the “Overnight at a Temporary Work Location” box, then click “save”.
6. Trip Detail Tab - Select “Out of Pocket” from the Expense Payment Method drop-down. Enter the Transaction Date, Start Date, End Date, Select Expense Type from the drop-down menu and dollar amount (up to max allowed for meals,) under Actual Expenses. 7. When all Trip Detail lines are entered, go to the General Information Tab and click the “Generate Accounting Lines” button to have your default accounting auto-populate for each line entered. Go to the Accounting Tab for each line item entered to enter Location, Program, etc. coding, if applicable.
8. When finished, scan all required receipts, save them to your desktop and attach them to the voucher by clicking on the browse link next to the “Attach a Quote” paperclip. Once you have confirmed the receipts are attached, click the “Submit Report” button on the General Information tab.
9. Out-of-State Travel – Include all expenses associated with your trip (including mileage to/from airport) on a stand-alone voucher. Select “Out-of-State” on the General Information tab.
