Attachment A
M/V Emerald Isle Work Package Specifications Reissue

Project 6: Keel Cooler Inspection/Grid Cleaning

Not correct:

There are eight keel coolers installed on the vessel:

- ~~Two Walter 2TT-80s on mains~~
- ~~Two Walter TT-56 on gensets~~
- ~~Two Fernstrum D072 on mains~~
- ~~Two Fernstrum D066U on aftercoolers~~

Correct:

Eight keel coolers installed on the vessel:

- 2 - FERSTRUM Model D2048 added for the mains
- 2 - Walter Model 4S16T 1-1/2 TT-80 for the mains
- 2 - Walter Model 2S4T 1-1/2 TT-56 for the gensets
- 2 - Walter Model 3" D8T OR 3S8T 1-1/2TT- looking for end numbers (missing complete model number)

Quote price for only the coolers with complete model numbers.

See Attachment One – Addendum #1 Keel Coolers for more information.
