CERTIFICATION OF BUILD AMERICA, BUY AMERICA (BABA) COMPLIANCE

This form can be used if the contractor does not already have an existing BABA Compliance form.

AGENCY NAME	
PROJECT NAME	PROJECT AUTHORIZATION

CERTIFICATION:

I hereby certify that all iron, steel, manufactured products, and construction materials incorporated into the above-referenced project are in full compliance with the (BABA) requirements.

All product data submittals shall include sourcing information, specified as:

- (1) city and state of the manufacturer's location within the United States,
- (2) item description, which should include the source material being used in the manufacturer's process, and
- (3) quantity of the product.

All deliveries shall be audited by the contractor's representative when arriving to the site to verify the material being brought to site matches what was submitted in the submittal form and verify its sourcing is in the United States.

BABA compliance documentation will be submitted with all payment requests.

SUMMARY OF MATERIALS	
TOTAL BABA-APPLICABLE ITEMS	ITEMS WITH DOMESTIC CERTIFICATIONS

SUPPORTING DOCUMENTATION:

All required manufacturer certifications, invoices, and bills of lading are maintained in the project file and are available for audit upon request.
